PREPARATION FOR A GASTROSCOPY

*** Please read these directions 5 days before procedure. ***

To cancel or reschedule your appointment we require 5 business days. To respect patients waiting for endoscopic procedures, it is imperative that you contact this office (416) 964-3457 FIVE business days prior to your scheduled procedures if you are not able to attend the appointment, otherwise you will be charged a fee, which OHIP does not cover.

- You **MUST arrange for someone to pick you up after the procedure.** You cannot leave the clinic in a TAXI or by TTC alone after the procedure.
- **If you are taking any blood thinning medications** such as aspirin/baby aspirin, plavix, coumadin, as well as oral iron. **You should consult your doctor before you stop taking the above listed medication 5 days prior to the procedure.**
- You can take your High Blood Pressure medication the day of the appointment as long as you take it at least 2 hours prior to your procedure. No other medication unless authorized by the doctor.
- **No solid foods the day of your appointment (starting at midnight).**
- **You can have water, black coffee (no cream or milk), tea or Gatorade up until 2 hours prior to your procedure. (Gatorade cannot be red or grape coloured).**
